# Greetings from the mayoress

Dear neighbours,

It is an honour for me to address you through these lines to let you know the complete programme that we have prepared with the greatest of enthusiasm and affection for the Las Lagunas Fair, which will be held from the 26th to the 30th of June.

Mijeños and visitors are filled with joy, especially those who live in Las Lagunas, a district that is uniquely decorated for this traditional event.

Every year we look forward to this event with enthusiasm and joy, an event that becomes an example of the hospitality, coexistence and good work that characterises us.

We have a few days ahead of us full of events, music and fun, with activities specially planned to enjoy with family and friends. From Mijas Town Hall and, above all, from the Department for Festivities, we have made every effort to ensure that this is the case.

We have not forgotten Children's Day, which is why on Wednesday 26th of June there will be discounts on the rides. In addition, this year there will be a common background music in this area to recreate a more harmonious atmosphere.

These festivities are an opportunity to connect even more, to experience great encounters and unforgettable moments surrounded by our loved ones.

I sincerely hope you have a great time and that you make the most of this fair.

A big hug and long live the Las Lagunas Fair!

# Greetings from the councillor

Dear neighbours,

I was really looking forward to presenting you the programme for the Las Lagunas Fair 2024!

These are very special days that we have prepared with great effort and affection because we believe that it is a key event for the whole municipality of Mijas and, especially, for Las Lagunas.

The Department for Festivities has been working for months to make this new edition of the Las Lagunas fair a great success. There will be a wide variety of activities, both during the day and at night, as we want fun to prevail more than ever in your lives, so that for a moment you can forget the problems and worries of everyday life and you can focus on your desire to have a good time.

Gastronomy, crafts, attractions, live music, traditions... All this and much more has a place in this festive event because, if it is known for anything, it is for being very varied and for welcoming with open arms everyone who visits and chooses to have fun.

Of course, I would like to thank all those who, with their hard work and dedication, make it unforgettable.

See you at the Las Lagunas Fair!

**Ana Carmen Mata Rico, Mayoress-President of Mijas Town Hall, in use of the powers conferred by law,**

## **HEREBY INFORMS**

In view of the forthcoming celebration of the Festivities and Fair of Las Lagunas, which will take place from the 26th to the 30th of June 2024, inclusive, I consider appropriate to inform you of the different rules of hygiene, respect and coexistence to make these festive days more pleasant.

In respect of food and beverage outlets, the following must be complied with:

The price list must be displayed in a visible place, including the prices of all products served.

All persons who, due to their work activity, have direct contact with food shall have the official food handler's certificate.

The Complaint Forms established in Decree 82/2022, of 17 May, (BOJA nº 95, 20 May 2022) will be posted in a visible place and will be available to the public.

Products in which eggs are used as an ingredient must comply with the criteria established in the current legislation as regards their preparation and consumption.

The marketing and consumption of 'chanquetes' and other species of immature fish is strictly prohibited.

All establishments set up on a temporary basis must comply with the same rules that apply to permanent establishments.

The preparation of meals is prohibited in unauthorised places, both in the open air and inside vehicles, as well as the consumption of meals in places that are not authorised for this purpose.

I would also like to point out other rules that must be followed during our festivities:

The fairgrounds will be closed to traffic of all types of motor vehicles from 8.00 hours, allowing unloading work in the street vending area from 18.00 to 19.00 hours along the side avenues.

All installations located in the fairgrounds (peñas, political groups, attractions, bars, stalls, etc.) will cease their activity at 05.00 hours. From 05.00 hours, music will be eliminated both on the rides and in the rest of the activities and stalls on the fairgrounds.

The installation of all types of machines, chairs, tables and counters outside the limits of the plot where the event is held is prohibited.

It is forbidden to distribute or sell tobacco without the required authorisation, in compliance with Law 28/2005, of 26th December, in fixed or mobile stalls and in unauthorised installations.

The sale and use of firecrackers, flares and similar items is strictly forbidden. These will be confiscated by the Local Police and the corresponding complaint will be processed.

Unauthorised street selling is prohibited, and the Local Police may proceed to remove the merchandise being sold, as long as the purchase of the merchandise and its legitimate ownership is not accredited by means of an invoice.

Horses and carriages are authorised to travel through the streets of Mijas, which will be signposted and delimited in this respect, during the celebration of the Las Lagunas Fair. Carriages and horses must be in possession of civil liability insurance in compliance with the provisions of the applicable regulations.

The exhibition, sale, donation or possession of bladed weapons or objects with similar characteristics will not be permitted, and the Local Police will proceed to report and seize them.

In the fair booths and fairground facilities, the prohibition of selling and providing alcoholic beverages to minors will be controlled.

Booths and clubs located in the fairgrounds must comply with the rules set out in the current Police and Entertainment Regulations, paying special attention to the points relating to safety and fire prevention.

Failure to comply with this rule will be subject to a complaint by the Local Police, which may result in the opening of a disciplinary proceeding and the precautionary closure of the stand. The Local Police and the technicians responsible for Mijas Town Hall will check compliance with the above provisions.

With the adoption of these measures, it is intended that we all enjoy an orderly festive days and that the coexistence between those who participate in the Fair is cordial.

I would also like to take this opportunity to invite the residents and shopkeepers of Mijas to dress up in Andalusian attire and to decorate their establishments and façades with festive motifs to enhance the Festivities and Fair of Las Lagunas.

**Happy Fair of Las Lagunas 2024**

**THE MAYORESS-PRESIDENT**
